#1 & growing..

About Us

Background: 3rd generation family company

Hospitime is a specialised service provider in the Medico Surgical Field for more than seven decades always intending to be a company that values Quality, Service and Commitment.
Hospitime over its decades of operation has earned reputation as a quality manufacturer of Hospital Furniture & Surgical Instruments. The company has been successfully servicing large number of Hospitals and Institutions in India and abroad with its manufactured products.
Hospitime has also supplied surgical instruments and kits to various pilot programmes to NGO's, Govt. Institutions and Hospitals across India.

Dedication to Quality: Quality is our culture

We employ the highest quality of raw materials. Hospitime is an ISO 9001:2015 certified company and all its products are CE compliance. This guarantee that our instruments are safe and fit for their intended use.
We owe our success to our prestigious customers who have maintained their trust in our products, over the years.
